First Policy: January 2010

Health and Safety Policy

PRB Health and Safety Training t/a PRB Consulting are committed to achieving and maintaining the highest standards of health and safety to improve mental well-being and to reduce the risks presented to its employees, sub-contractors and any other person who may be affected by its business activities.

PRB Health and Safety Training is well aware of its obligations under the Health and Safety at Work Act and related legislation and is fully committed to meeting those obligations. The successful management of health and safety is a key objective throughout the company and this Policy details the standards expected of employees and contractors in maintaining a responsible attitude with regard to the well-being of themselves and others.

Hazards will be identified and the risk of harm either eliminated or minimised, so far as is reasonably practicable, through a process of assessment, control, instruction, training and supervision to ensure that PRB Health and Safety Training meets specific obligations to provide safe and healthy working conditions, equipment and systems of work.

PRB Health and Safety Training support the concept of consultation with its staff on health and safety matters including the defined reporting and emergency procedures. The provision of Information, instruction, training and supervision is key to effective safety management within PRB Health and Safety Training Ltd.

The Directors will implement the company's health and safety policy and recommend where changes are required to meet business and legislative requirements. To maintain the commitment made by PRB Health and Safety Training Ltd, the company will continually measure, monitor and revise where necessary, the performance of the company to ensure so far as is reasonably practicable health and safety standards are maintained.

The Managing Director has overall responsibility for Health and Safety matters within the Company. The Quality and Compliance Director reports to the Managing Director and has responsibility for advising on the development of procedures within the Company.

This Policy will be distributed to all staff and reviewed on an annual basis.
