## Environmental Policy

PRB Health & Safety Training Ltd, t/a PRB Consulting are committed to minimising the environmental impact of the company's activities via continuous improvement in environmental performance and will seek to develop an ethos of environmental responsibility in all its staff as well as in the management of its work. The directors recognise that in pursuing the work objectives of the company, there is opportunity to protect its immediate environment and by exercising proper control over its activities the company will promote the use of sustainable resources and discourage wasteful or damaging practices. Accordingly, it is the policy of the company to:

- Comply with all relevant environmental legislation and take such additional environmental protection measures as it considers necessary.
- Promote awareness and understanding of environmental issues among all staff and the external community.
- Integrate environmental management policies and practices into every level and every department of the company.
- Manage and conserve energy and water efficiently within all its premises.
- Reduce waste of natural resources, promote waste reduction and recycling and through tendering and purchasing procedures promote sustainable development.
- Regulate all waste production and disposal and discourage litter and noise pollution.
- Reduce and where practicable prevent pollution by avoiding the unnecessary use of hazardous materials and processes and take all possible steps to prevent damage to either public or ecological health where such materials are in essential use.
- Promote/explore the use of less environmentally damaging transport options.
- Consider the environmental impact of any company work.
- Consider the environmental impact of decommissioning and disposal of company assets.
- Aim at eventual accreditation to a nationally or internationally recognised environmental management standard as a benchmark of good environmental practice.
- Ensure that this policy and all reports and reviews of environmental performance are communicated to all staff.
